

IF YOU DRIVE LIKE A HOON YOU'LL BURN MORE THAN RUBBER!

YOU'LL BURN YOUR CAR. Hoon driving not only risks your life but the lives of innocent motorists and pedestrians. To stop hoon driving, Victoria Police has now been given more powers. For a first offence they will impound your car for 48 hours, second offence, 3 months and for a third or more serious offence they will confiscate your vehicle, permanently. So you'll burn your car! And even if the car isn't yours, they can still confiscate it. So you'll burn your family or friends. Next time you feel the need to drive like a hoon, stop and think about it. You'll burn more than rubber.
